Sección 1 - Introducción

Este directorio contiene una lista de proveedores de la red de Essence Advantage. Si desea obtener información detallada de su cobertura de atención médica, consulte la *Evidencia de cobertura* (EOC).

Podrá seleccionar a uno de los proveedores de nuestra red incluidos en este directorio para que sea su médico de atención primaria (PCP, por sus siglas en inglés). En general, debe recibir los servicios de atención médica de su PCP. El nombre y el número telefónico de su PCP están impresos en su tarjeta de identificación de miembro.

Los proveedores de la red incluidos en este directorio aceptaron brindarle servicios de atención médica, dentales y para la vista. Puede acudir a cualquiera de los proveedores de la red incluidos en este directorio; sin embargo, algunos servicios podrían requerir una remisión o autorización previa. Si ha consultado a un proveedor de la red, no es necesario que continúe visitando al mismo proveedor. En algunos casos, podría recibir servicios cubiertos de proveedores fuera de la red. Consulte la EOC para conocer los detalles.

Usted recibirá su atención básica o rutinaria de su PCP. Su PCP coordinará el resto de los servicios cubiertos que necesite. Esto incluye radiografías, análisis de laboratorio, terapias, consultas con especialistas, admisiones al hospital y atención de seguimiento. Su PCP también se comunica con otros proveedores de la red para obtener actualizaciones sobre su atención o tratamiento. Si necesita ciertos tipos de servicios o suministros cubiertos, su PCP debe obtener la aprobación por adelantado.

Su PCP debe hacerle una remisión para consultar a un especialista. Si su PCP cree que usted necesita tratamiento especializado, le dará una "remisión" (aprobación por adelantado) para consultar a un especialista de la red. Un **especialista** es un médico que brinda servicios de atención médica en relación con enfermedades específicas o con una parte del cuerpo. Si desea usar un especialista u hospital en particular de Essence Advantage, debe preguntarle a su PCP para asegurarse de que pueda remitirlo a ese especialista u hospital.

Es muy importante que obtenga una remisión de su PCP **antes** de consultar a un especialista de la red. **Si no tiene una remisión antes de recibir los servicios de un especialista, es probable que usted tenga que pagar por estos servicios.** Si el especialista desea que regrese para consultas de seguimiento, asegúrese de verificar la remisión original para ver si están incluidas.

En algunos casos, el PCP, el especialista u otro proveedor de la red puede necesitar una autorización médica de su grupo médico o de Essence Advantage, según corresponda. Una autorización previa es una aprobación de su grupo médico o del plan de salud, según corresponda, para recibir servicios médicos, y debe solicitarse **antes** de recibir los servicios. Dado que su PCP será el que proporcionará y coordinará su atención médica, usted deberá verificar que se haya enviado toda su historia clínica anterior al consultorio de su nuevo PCP. La ley requiere que protejamos la privacidad de su historia clínica y su información

médica personal. Para obtener más información sobre la privacidad, consulte la *Evidencia de cobertura*.

Puede cambiar de PCP por cualquier razón, en cualquier momento. Para cambiar su PCP, llame al Departamento de Servicio al Cliente. **Los cambios de PCP entran en vigencia el primer día del siguiente mes. Las solicitudes de *cambios retroactivos* no suelen aprobarse.** Cuando llame, asegúrese de informar al representante de servicio al cliente si está viendo a un especialista, si pronto tendrá que surtir un medicamento recetado o si está recibiendo otros servicios cubiertos que su PCP tuvo que aprobar (como servicios médicos en el hogar y visitas de terapia ambulatoria). El representante del servicio al cliente cambiará el registro de miembro para que muestre el nombre de su nuevo PCP. También recibirá una tarjeta de miembro actualizada con el nombre y número telefónico de su nuevo PCP en un plazo de 7-10 días. El PCP o el grupo médico que usted elija puede determinar los especialistas y hospitales que use. Comuníquese con el Departamento de Servicio al Cliente para obtener más información.

Algunos servicios que puede recibir por su cuenta. Existen solamente unos pocos tipos de servicios cubiertos sin ver primero a su PCP. Una **"autoremisión"** significa que obtiene servicios por su cuenta. Si recibe servicios autorremitidos, igualmente debe abonar un copago. Si recibe un servicio autorremitido de un proveedor de la red, solamente deberá abonar el copago de dentro de la red. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Essence Advantage serán responsables de los costos.

Los siguientes servicios podrían ser autorremitidos:

- Examen de la vista rutinario: examen anual a fin de determinar si tiene cambios en la vista y la posible necesidad de anteojos o lentes de contacto. **Si adquirió los beneficios complementarios opcionales que ofrece el plan, consulte la sección "Proveedores de atención de la vista de rutina" que está al final de este directorio para saber cómo encontrar los proveedores de la red que puede usar sin una remisión de su PCP.**
- Atención médica rutinaria para la mujer: incluye exámenes de mamas, mamografías (radiografías de las mamas), pruebas de Papanicolaou y exámenes pélvicos. Esta atención está cubierta sin una remisión de su PCP *solamente* si la recibe de un proveedor de la red.
- Vacunas contra la gripe, la COVID-19, la hepatitis y la neumonía: están cubiertas *solamente* si las recibe de un proveedor de la red.
- Servicios de emergencia: ya sea que reciba estos servicios de proveedores de la red o fuera de la red, los servicios de emergencia también están cubiertos, incluida la atención hospitalaria después de que se estabilice (conocida como atención posterior a la estabilización).
- Atención requerida urgentemente: incluye la atención que recibe de proveedores fuera de la red cuando se encuentra temporalmente fuera del área de servicio del plan.
- Diálisis renal: los servicios renales que recibe cuando se encuentra temporalmente fuera del área de servicio del plan están cubiertos. De ser posible, infórmenos antes de dejar el área de servicio y dónde se encontrará. Podemos coordinar para que usted reciba diálisis de mantenimiento mientras se encuentra lejos.

Recibir atención mientras está de viaje o lejos del área de servicio del plan. Si necesita atención médica mientras está fuera del área de servicio, la cobertura de atención médica es limitada. Los únicos servicios cubiertos mientras usted está fuera del área de servicio son la atención de una emergencia médica, incluidas la atención de mantenimiento y la atención hospitalaria después de que se estabilice (conocida como atención posterior a la estabilización), la atención de urgencias, la diálisis renal (riñón) y la atención aprobada por adelantado por Essence Advantage. Si no sabe si un servicio está cubierto cuando viaja, llame al Departamento de Servicio al Cliente.

La diferencia entre una emergencia médica y la atención requerida urgentemente es la gravedad de la afección.

- Una emergencia médica es cuando cree que su salud está en serio peligro y cada segundo que pasa es determinante. Podría tener una lesión grave, una enfermedad repentina o una enfermedad que empeora mucho rápidamente.
- La atención requerida urgentemente es la que recibe para una lesión o enfermedad repentina que requiere atención médica inmediata, pero que no es potencialmente mortal. El tratamiento de una torcedura de tobillo es un ejemplo de atención requerida urgentemente.

En general, su PCP le brinda atención requerida urgentemente. Si tiene una lesión o enfermedad repentina que *no es una emergencia médica* y se encuentra en el área de servicio del plan, llame a su PCP. Si el consultorio está cerrado, siempre habrá un médico de guardia que pueda ayudarlo. **Tenga en cuenta lo siguiente: Si necesita atención urgente mientras está en el área de servicio del plan, debe recibirla de proveedores de la red. En la mayoría de los casos, no pagaremos por la atención requerida urgentemente que usted reciba de proveedores fuera de la red mientras está en el área de servicio del plan.**

Si no se encuentra en el área de servicio del plan y no puede esperar hasta su regreso, Essence Advantage pagará la atención de urgencias que reciba de los proveedores fuera de la red. Cubriremos la atención de seguimiento que reciba de proveedores fuera de la red fuera del área de servicio del plan si dicha atención cumple igualmente la definición de atención requerida urgentemente. Una vez que regrese al área de servicio, su PCP le brindará toda la atención de seguimiento que necesite.

Si tiene una emergencia médica:

- Busque ayuda médica lo más rápidamente posible. Llame al 911 para pedir ayuda o acuda directamente a la sala de emergencias más cercana. **En una emergencia, no necesita un permiso (autorización) o una remisión antes de recibir asistencia médica.**
- La atención médica de emergencia está cubierta siempre que la necesite, en cualquier parte del mundo.
- El plan cubre los servicios de ambulancia en los casos en los que ir a la sala de emergencias de alguna otra manera podría poner en peligro su salud.
- Tan pronto como sea posible, usted o alguien más debe comunicarse con su PCP para comunicarle la emergencia. El número telefónico de su PCP está en su tarjeta de identificación de miembro. Su PCP necesita saber sobre la emergencia porque le brindará o coordinará la atención

de seguimiento. Intente comunicarse con su PCP para comunicarle la emergencia en el plazo de 48 horas.

Su PCP ayudará a gestionar y hacer un seguimiento de la atención de emergencia. Es importante que sepa que cada emergencia tiene dos etapas. Cuando los médicos o el hospital que brinda la atención de emergencia consideran que su condición es estable, finaliza la primera etapa de la emergencia médica. Sin embargo, se lo considera en una situación de emergencia incluso después de que su afección se estabilice y Essence Advantage debe pagar el tratamiento posterior a la estabilización brindado por el hospital (sea que se trate de un hospital de la red o no). La segunda etapa de la emergencia, después de que su condición sea estable, se llama posterior a la estabilización.

En general, el hospital o los médicos que brindan atención de emergencia intentarán comunicarse con su PCP. Esto ayuda a organizar que los proveedores de la red asuman su atención tan pronto como su condición y las circunstancias hayan mejorado. Una vez que su PCP asuma su atención o acuerde el plan de acción adecuado con el hospital tratante (o una vez que le den el alta, si está completamente recuperado), ya no estará en una situación de emergencia o posterior a la estabilización.

Cuando haya pasado las etapas de emergencia y posterior a la estabilización, igualmente podría necesitar atención de seguimiento. Essence Advantage es responsable de su atención de seguimiento. Essence Advantage pagará la atención de seguimiento (la atención provista después de las etapas de emergencia y posterior a la estabilización) *solamente* si usted sigue las reglas del plan. Su PCP puede ayudarlo a encontrar proveedores de la red y a obtener las remisiones y autorizaciones correspondientes.

Nunca debería pagarle a un proveedor fuera de la red más de lo que el proveedor tiene permitido por Medicare. El proveedor tiene derecho a recibir sus honorarios, pero no tiene derecho a recibirlos de usted. Pídale al proveedor fuera de la red que primero nos envíe su factura. Si ya pagó por los servicios cubiertos, le reembolsaremos nuestra parte del costo compartido. Si recibe una factura por los servicios, puede enviárnosla para el pago. Pagaremos al proveedor fuera de la red nuestra parte del costo compartido de la factura si cumple con los criterios indicados anteriormente y le informaremos lo que usted debe pagar, si aplica. Si un proveedor fuera de la red le pide que pague los servicios cubiertos que recibe en estas situaciones, llame a nuestro Departamento de Servicio al Cliente.

Si bien Essence Advantage no contrata a especialistas que prestan ciertos servicios en un centro de atención médica (como anestesistas y patólogos), le pagamos al centro por el costo de estos servicios cuando se prestan en un centro contratado por Essence Advantage. Si recibe una factura por estos servicios, comuníquese con el Servicio al Cliente de Essence Advantage.

Debe usar proveedores de la red, excepto en situaciones de atención de emergencia o urgencia o en el caso de diálisis renal fuera del área u otros servicios. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Essence Advantage serán responsables de los costos.

¿Cuál es el área de servicio de Essence Advantage?

A continuación, se indican los condados dentro de nuestra área de servicio:

Este directorio incluye secciones por separado correspondientes a nuestros hospitales de la red, médicos de atención primaria, especialistas, otros proveedores contratados, proveedores de salud mental, proveedores de atención rutinaria para la vista y farmacias. Cada sección está organizada primero por estado y, luego, por condado. Al final del directorio, encontrará un índice alfabético de médicos.

Si tiene alguna pregunta sobre Essence Advantage o necesita ayuda para seleccionar un PCP, llame a nuestro Departamento de Servicio al Cliente al 1-855-996-8422, de 8 a. m. a 8 p. m., los siete días de la semana. Puede dejar un mensaje los fines de semana del 1 de abril al 30 de septiembre y los feriados. Deje su mensaje y le devolveremos la llamada al siguiente día hábil. Los usuarios de TTY deben llamar al 711. También puede visitar www.essencehealthcare.com para obtener más información.

Essence Advantage
Directorio de farmacias

Introducción

Este documento contiene una lista de las farmacias de la red de Essence Advantage. Para obtener una descripción completa de su cobertura de medicamentos recetados, así como instrucciones para surtir las recetas, revise la *Evidencia de cobertura* y el formulario de Essence Advantage.

Las farmacias incluidas en esta lista son nuestras farmacias de la red porque hemos coordinado con ellas para que suministren los medicamentos recetados a los miembros del plan. En la mayoría de los casos, sus recetas están cubiertas por Essence Advantage solamente si se surten en una farmacia de la red o a través del servicio de farmacia de pedido por correo. Una vez que va a una farmacia, no es necesario que continúe yendo a la misma farmacia para surtir su receta, sino que puede cambiar a cualquier otra farmacia de nuestras farmacias de la red. Surtiremos sus recetas en farmacias fuera de la red en ciertas circunstancias, como se describe en la *Evidencia de cobertura*.

Es posible que este directorio no incluya todas las farmacias de la red. Podrían haberse agregado o eliminado farmacias de la lista después de la impresión de este directorio. Esto significa que podría haber farmacias incluidas aquí que ya no son parte de nuestra red o farmacias más nuevas en nuestra red que no fueron incluidas. Esta lista tiene vigencia a partir del 13 de diciembre de 2023. Para conocer la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la contratapa.

Puede recibir medicamentos recetados en su casa a través de nuestro programa de entrega de pedidos por correo de la red. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Si tiene alguna pregunta sobre la información anterior, consulte las páginas de la portada y la contratapa de este directorio para saber cómo comunicarse con Essence Advantage.

Farmacias de la red de Essence Advantage

Las farmacias se dividen en cuatro grupos: farmacias minoristas, incluidas las farmacias de cadena; pedido por correo; infusión en el hogar; y atención a largo plazo. Las farmacias de cada grupo se enumeran por estado y, luego, por condado. **Las farmacias que ofrecen un suministro extendido de medicamentos se identifican con el símbolo ¥.**
