Provider Directory

This directory is current as of December 6, 2023.

This directory provides a list of the Essence Advantage Choice's current network providers.

This directory is for the Ohio Service area. It includes Brown, Butler, Clermont, Clinton, Hamilton, and Warren counties.

As a member of our plan, you can choose to receive care from out-of-network providers. Our plan will cover services from either in-network or out-of-network providers as long as the services are medically necessary and covered benefits. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. If you receive care from a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of services you receive. Please refer to Chapter 3 of your Evidence of Coverage (EOC) for complete details.

To access Essence Advantage Choice's online provider directory, you can visit EverythingEssence.com. For any questions about the information contained in this directory (hardcopy or online), please call our Customer Service department at 1-866-597-9560 (TTY 711), 8 a.m. to 8 p.m., seven days a week. You may reach a messaging service on weekends from April 1 through September 30 and holidays. Please leave a message, and your call will be returned the next business day.

To request a hard copy of Essence Advantage Choice's provider directory, please call our Customer Service department at 1-866-597-9560 (TTY 711), 8 a.m. to 8 p.m., seven days a week. Essence Advantage Choice will mail a hard copy of the provider directory to you within three (3) business days of your request. Essence Advantage Choice may ask whether your request for a hard copy is a one-time request or if you are requesting to receive the provider directory in hard copy permanently.

If you request it, your request for hard copies of the provider directory remains until you leave Essence Advantage Choice or request that hard copies be discontinued.

Section 1 - Introduction

This directory provides a list of Essence Advantage Choice's network providers. For detailed information about your healthcare coverage, please see your Evidence of Coverage (EOC).

As a member of Essence Advantage Choice you are not required to select a **P**rimary **C**are **P**rovider (PCP), however, some services have lower cost-sharing when delivered by a PCP. A PCP helps to provide and coordinate your healthcare. If you have a PCP and wish to select a different PCP, you can find a complete list of Essence Advantage Choice's network providers in this Provider Directory by going online to EverythingEssence.com or by contacting our Customer Service department toll-free at 1-866-597-9560 (TTY 711).

The network providers listed in this directory have agreed to provide you with your healthcare, vision and dental services. You may go to any of our network providers listed in this directory; however, some services may require a prior authorization. If you have been going to one network provider, you are not required to continue to go to that same provider. You may get covered services from non-network providers, but your cost-share may be higher. Please refer to your Evidence of Coverage for details.

Providers identified with an asterisk (*) also accept Medicaid. The number following the 10-digit number listed below the provider's name is the provider's National Provider Identifier (NPI) number. In the Hospital section, the capital letters following the word "Code" show that hospital's code. When a hospital's code follows a provider's information, it indicates to which hospital(s) that provider has privileges for admitting patients.

If you choose to have a PCP, you will get your routine or basic care from your PCP. Your PCP will coordinate the rest of the covered services you need. This includes x-rays, laboratory tests, therapies, hospital admissions and follow-up care. Your PCP also contacts other network providers for updates about your care and/or treatment.

You do not need a referral to see a specialist. You do not need to use a PCP to provide a referral. If you choose to use a PCP, your PCP will direct you to a network specialist, or other healthcare provider, or facility. A specialist is a doctor who provides healthcare services for a specific disease or part of the body.

In some cases, your PCP, specialist, or other provider may need to get prior authorization from Essence Advantage Choice. A prior authorization is an approval from the plan for medical services and must be requested **before** services are received. If you chose a PCP, he or she will provide and coordinate your healthcare, you should have all your past medical records sent to your new PCP's office. The law requires us to protect the privacy of your medical records and personal health information. For more information about privacy, see your Evidence of Coverage.

If you have a PCP, you may change your PCP for any reason, at any time. A complete list of Essence Advantage Choice's network providers is in this Provider Directory, or by going online to EverythingEssence.com, or by contacting our Customer Service department toll-free at 1-866-597-9560

(TTY 711).

Out-of-network providers are under no obligation to treat Essence Advantage Choice enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us **before** you receive the service. Please call our Customer Service department at 1-866-597-9560 (TTY 711), 8 a.m. to 8 p.m., seven days a week. You may reach a messaging service on weekends from April 1 through September 30 and holidays. Please leave a message, and your call will be returned the next business day. You may also refer to your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

When you see an out-of-network provider, ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay the out-of-network provider for our share of the bill if it meets the criteria noted above and will let you know what, if anything, you must pay. If an out-of-network provider asks you to pay for covered services you get in these situations, please contact us by calling our Customer Service department.

While Essence Advantage Choice does not contract with specialists who provide certain services at a healthcare facility (such as anesthesiologists, radiologists and pathologists), we do pay the facility for the cost of these services when provided at an Essence Advantage Choice contracted facility. If you receive a bill for such services, please contact our Customer Service department at 1-866-597-9560 (TTY 711).

The difference between a medical emergency and urgently needed care is the seriousness of the condition.

- A medical emergency is when you believe your health is in serious danger - when every second counts. You may have a bad injury, sudden illness or an illness that is quickly getting much worse.
- Urgently needed care is care you get for a sudden illness or injury that needs medical care right away but is not life threatening. Treatment for a sprained ankle is an example of urgently needed care.

If you choose to have a PCP, your PCP generally provides urgently needed care inside the plan's service area. If you have a sudden illness or injury that is *not a medical emergency* and you are in the plan's service area, please call your PCP. If the office is closed, there will always be a doctor on call to help you. Essence Advantage Choice will pay for urgently needed care you receive from out-of-network providers; however, these services may be at a higher cost-sharing. Please refer to Evidence of Coverage for details.

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency room. **In an emergency, you do not need permission (authorization) before getting medical assistance.**
- Emergency medical care is covered whenever you need it, anywhere in the world.
- Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health.

- If you have a PCP, you or someone else should contact your physician about your emergency as soon as possible. Your PCP needs to know about your emergency because he or she will provide or arrange follow-up care. Please try to contact your PCP about your emergency within 48 hours.

If you chose a PCP, your PCP can help manage and follow up on your emergency care. It is important to know that every emergency has two stages. When the doctors or hospital providing emergency care consider your condition stable, the first stage of the medical emergency ends. However, even after your condition is stabilized, you are still considered in an emergency situation and Essence Advantage Choice must pay for post-stabilization treatment provided by the hospital (whether or not this hospital is a network provider). The second stage of the emergency, after your condition is stabilized, is called post-stabilization.

Generally, the hospital or doctors providing emergency care will try to talk to your PCP. This helps the plan arrange for network providers to take over your care as soon as your condition and circumstances get better. Once your PCP takes over your care or agrees with the attending hospital on an appropriate course of action (or once you are discharged, if you are fully recovered), you are no longer in an emergency or post-stabilization situation.

When you are past the emergency and post-stabilization stages, you may still need follow-up care. Essence Advantage Choice is responsible for your follow-up care. Essence Advantage Choice will *only* pay for follow up care (care provided after your emergency and post-stabilization stages) if you follow the plan rules. Your PCP can assist you with finding network providers and securing the appropriate authorizations. Follow-up care can be obtained from out-of-network providers, but it may have a higher member cost-sharing.

Essence Advantage Choice
Pharmacy Directory

Introduction

This booklet provides a list of Essence Advantage Choice's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Essence Advantage Choice formulary.

We call the pharmacies on this list our network pharmacies because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Essence Advantage Choice only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of December 6, 2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with **†** to distinguish them from other pharmacies in our network that offer standard cost-sharing. You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Essence Advantage Choice.

Essence Advantage Choice's Network Pharmacies

The pharmacies are divided into four groups: Retail Pharmacies, including Chain Pharmacies; Mail Order; Home Infusion; and Long-Term Care. The pharmacies in each group are listed by state and then by county. **"Preferred pharmacies" are identified with the symbol †. Pharmacies that provide an extended day supply of medications are identified with the symbol ¥**.
