Who can join?

To join **Essence Advantage Gold** or **Essence Advantage Platinum**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, be a United States citizen or are lawfully present in the United States and live in our service area. Our service area includes the following counties in California: Alameda and San Mateo.

What is an HMO?

An HMO, or Health Maintenance Organization, is a type of health insurance plan that usually limits coverage to care from doctors who work for or contract with the HMO. It generally won't cover out-of-network care except in an emergency. An HMO may require you to live or work in its service area to be eligible for coverage.

Which doctors, hospitals and pharmacies can I use?

Essence Advantage Gold and **Essence Advantage Platinum** have a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, the plan may not pay for these services. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. You can see our plans' Provider Directory on [EssenceHealthcare.com](https://www.EssenceHealthcare.com) or call us, and we will send you a copy.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and *more*.

- **Our plan members get *all* of the benefits covered by Original Medicare.** For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- **Our plan members also get *more* than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

What drugs do we cover?

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on [EssenceHealthcare.com](https://www.EssenceHealthcare.com) or call us, and we will send you a copy.

How will I determine my drug costs?

Our plans group each medication into one of six tiers. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur: initial coverage, coverage gap and catastrophic coverage. If you have questions about the different benefit stages, please contact the plan for more information or access the Evidence of Coverage on our website.

CMS will tell Essence Healthcare what your coinsurance should be for that drug. Your coinsurance will never exceed 20 percent but could be lower based on information we receive from CMS. Other Part B drugs, including insulin administered via a durable medical equipment insulin pump: 20% coinsurance For Part B insulin (insulin administered through a durable medical equipment pump), you won't pay more than \$35 for a one-month supply beginning July 1, 2023. Prior authorization is required. Amounts you pay for Part B drugs count toward your maximum out-of-pocket amount; they do not count toward your Part D initial coverage limit or true out-of-pocket cost of \$7,400. | |

| Coverage Gap | <p><u>Both Plans</u></p> <p>Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what your plan has paid and what you have paid) reaches \$4,660.</p> <p>After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand-name drugs and 25% of the plan’s cost for covered generic drugs until your out-of-pocket costs total \$7,400, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p> <p>During the coverage gap, your costs for tier 1 and tier 6 drugs (shown in the following table) will remain the same as during the initial coverage phase of your prescription drug benefit. You will need to use your formulary to locate your drug’s tier.</p> <p>Important—You won’t pay more than \$35 for a one-month supply of each insulin product covered by our plan, even if the insulin product is not considered a Select Insulin under the plan’s Prescription Drug Formulary or you’re not eligible for the Insulin Savings Program.</p> <p>If you’re eligible for the Insulin Savings Program, your cost-share for Select Insulins won’t increase during the coverage gap.</p> | | |
| Standard Retail Cost-Sharing | 30-Day Supply | 60-Day Supply | 90-Day Supply |
| Tier 1 (Preferred Generic) | \$5 Copay | \$10 Copay | \$15 Copay |
| Tier 6 (Select Care Drugs)** | \$0 Copay | \$0 Copay | \$0 Copay |
| Standard Mail-Order Cost-Sharing | 30-Day Supply | 60-Day Supply | 90-Day Supply |
| Tier 1 (Preferred Generic) | Not offered | | \$10 Copay |
| Tier 6 (Select Care Drugs)** | Not offered | | \$0 Copay |
| Catastrophic Coverage | <p><u>Both Plans</u></p> <p>After your yearly out-of-pocket drug costs reach \$7,400, you pay the greater of:</p> <ul style="list-style-type: none">• 5% Coinsurance or• \$4.15 Copay for generic (including brand-name drugs treated as generic) or a \$10.35 Copay for other drugs (one-month supply) <p>Important—You won’t pay more than \$35 for a one-month supply of each insulin product covered by our plan for all cost-sharing tiers.</p> | | |

*Select Insulins are those that are part of the Insulin Savings Program and incur low, consistent copays through the coverage gap. Insulins administered via a durable medical equipment insulin pump are not included in the program. For information regarding which insulins are Select Insulins under the plan’s benefit, refer to the plan’s Prescription Drug Formulary. See the Evidence of Coverage for more information regarding Select Insulins, including full cost-sharing information. The program doesn’t apply during the catastrophic coverage stage or if you receive Extra Help.

**Select care drugs are all tier 6 drugs and are used for treatment of diabetes, high cholesterol and high blood pressure. Cost-sharing may change depending on the pharmacy you choose.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-844-205-8422 (TTY: 711).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit [EssenceHealthcare.com](https://www.EssenceHealthcare.com) or call 1-844-205-8422 (TTY: 711) to view a copy of the EOC.
- ☐ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the Provider Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2024.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the Provider Directory).

Notes

Essence Healthcare includes HMO, HMO-POS and PPO plans with Medicare contracts. Essence Healthcare also includes an HMO D-SNP plan with a contract with Medicare and the state Medicaid program. Enrollment in Essence Healthcare depends on contract renewal. All Essence plans include Part D drug coverage. To enroll, you must have both Medicare Parts A and B and reside in the plan service area.

You must continue to pay your Medicare Part B premium. Please note that enrollment is limited to specific times of the year.

Members must use plan providers except in emergency or urgent care situations. If a member obtains care from an out-of-network provider without prior approval from Essence, neither Medicare nor Essence will be responsible for the costs.
