ESSENCE ADVANTAGE® (HMO) - ESSENCE ADVANTAGE® CHOICE (PPO)

Serving the Missouri county of Boone

Essence Advantage (HMO)

## **Summary of Benefits**

Essence Advantage Choice (PPO)

#### January 1, 2024 – December 31, 2024

This booklet gives you a summary of what we cover and what you pay. It doesn't list every limitation, exclusion or covered service. To get a complete list of services we cover, view the Evidence of Coverage online at EssenceHealthcare.com.

If you want to know more about the coverage and costs of Original Medicare, look in your current Medicare & You handbook. View it online at Medicare.gov, or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users should call 1-877-486-2048.

#### **Sections in This Booklet**

- Things to Know About Essence Advantage and Essence Advantage Choice
- Monthly Premium, Deductibles and Limits on How Much You Pay for Covered Services
- Covered Medical and Hospital Benefits
- Prescription Drug Benefits
- Other Covered Benefits

This document is available in other formats such as Braille and large print. This document may be available in a non-English language. For additional information, call 1-866-947-5817 (TTY: 711) to speak with a customer service representative.

## Things to Know About Our Plans (cont.)

#### Who can join?

To join **Essence Advantage** or **Essence Advantage Choice,** you must be entitled to Medicare Part A, be enrolled in Medicare Part B, be a United States citizen or are lawfully present in the United States and live in our service area. Our service area includes the Missouri county of Boone.

#### What's an HMO?

An HMO, or Health Maintenance Organization, is a type of health insurance plan that usually limits coverage to care from doctors who work for or contract with the HMO. It generally won't cover out-of-network care except in an emergency.

#### What's a PPO?

A PPO, or Preferred Provider Organization, is a health insurance plan that offers a network of providers but also allows you to seek care from out-of-network providers. You may pay less if you use providers that belong to the plan's network.

#### Which doctors, hospitals and pharmacies can I use?

**Essence Advantage** and **Essence Advantage Choice** have a network of doctors, hospitals, pharmacies and other providers. If you use providers that aren't in our network, they must agree to treat you, and, if you're an HMO plan member, we may not pay for these services. Except in emergency or urgent situations, out-of-network providers may deny care. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. You can see our plans' Provider Directory on EssenceHealthcare.com or call us, and we'll send you a copy.

#### What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- Our plan members get *all* of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get *more* than what's covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

#### What drugs do we cover?

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on EssenceHealthcare.com or call us, and we'll send you a copy.

#### How will I determine my Part D drug costs?

Our plans group each medication into one of five or six tiers. You'll need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you've reached. Later in this document, we discuss the benefit stages that occur: initial coverage, coverage gap and catastrophic coverage. If you have questions about the different benefit stages, please contact the plan for more information or access the Evidence of Coverage on our website.

| Coverage Gap                           | Both Plans<br>Most Medicare drug plans have a coverage gap (also called the "donut hole").<br>This means that there's a temporary change in what you'll pay for your drugs.<br>The coverage gap begins after the total yearly drug cost (including what your plan<br>has paid and what you've paid) reaches \$5,030.<br>After you enter the coverage gap, you pay 25% of the plan's cost for covered<br>brand-name drugs until your out-of-pocket costs total \$8,000, which is the end of the<br>coverage gap. Not everyone will enter the coverage gap.<br>During the coverage gap, for tiers 1 and 2, you'll pay the same as during the initial<br>coverage phase, or 25% of the drug cost (whichever is lower). Coverage gap costs for<br>tiers 1 and 2 are shown in the following table. You'll need to use your formulary to<br>locate your drug's tier.<br>Important—you won't pay more than \$35 for a one-month supply of each insulin |   |                                      |                                |                   |                  |

## **Pre-Enrollment Checklist**

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-866-947-5817 (TTY: 711).

#### **Understanding the Benefits**

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit EssenceHealthcare.com or call 1-866-947-5817 (TTY: 711) to view a copy of the EOC.
- Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. See Understanding Important Rules for information regarding the rules for seeing providers outside of our network.
  - Review the Provider Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
  - Review the formulary to make sure your drugs are covered.

#### **Understanding Important Rules**

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2025.
- For our HMO plan, except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the Provider Directory).
  - Our PPO plan allows you to see providers outside of our network (non-contracted providers). However, while we pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher copay for services received by non-contracted providers.
  - **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

Essence Healthcare includes HMO and PPO plans with Medicare contracts. Enrollment in Essence Healthcare depends on contract renewal. All Essence plans include Part D drug coverage. To enroll, you must have both Medicare Parts A and B and reside in the plan service area.

You must continue to pay your Medicare Part B premium. Please note that enrollment is limited to specific times of the year.

Members enrolled in an Essence Healthcare HMO plan must use plan providers except in emergency or urgent care situations. If a member obtains care from an out-of-network provider without prior approval from Essence Healthcare, neither Medicare nor Essence Healthcare will be responsible for the costs.

Members enrolled in an Essence Healthcare PPO plan may see out-of-network providers (non-contracted providers). Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-ofnetwork services.

Essence Healthcare complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex.
