## **Sección 1 - Introducción**

Este directorio contiene una lista de proveedores de la red de Essence Advantage Select. Si desea obtener información detallada de su cobertura de atención médica, consulte la Evidencia de cobertura (EOC).

Podrá seleccionar a uno de los proveedores de nuestra red incluidos en este directorio para que sea su **proveedor de atención primaria (PCP)**. En general, debe recibir los servicios de atención médica de su PCP. El nombre y el número telefónico de su PCP están impresos en su tarjeta de identificación de miembro.

Los proveedores de la red incluidos en este directorio aceptaron brindarle servicios de atención médica, dentales y para la vista. Puede acudir a cualquiera de los proveedores de la red incluidos en este directorio; sin embargo, algunos servicios podrían requerir una remisión o autorización previa. Si ha consultado a un proveedor de la red, no es necesario que continúe visitando al mismo proveedor. En algunos casos, podría recibir servicios cubiertos de proveedores fuera de la red. Consulte la EOC para conocer los detalles.

**Los proveedores identificados con un asterisco (\*) también aceptan Medicaid.** El número indicado a continuación del número de 10 dígitos abajo del nombre del proveedor es su número de Identificación nacional de proveedores (NPI, por sus siglas en inglés). En la sección "Hospital", las letras mayúsculas a continuación de "Código" indica el código de ese hospital. Cuando se incluye el código de un hospital después de la información del proveedor, indica en qué hospital el proveedor tiene privilegios para ingresar pacientes.

**Usted recibirá su atención básica o rutinaria de su PCP.** Su PCP coordinará el resto de los servicios cubiertos que necesite. Esto incluye radiografías, análisis de laboratorio, terapias, consultas con especialistas, admisiones al hospital y atención de seguimiento. Su PCP también se comunica con otros proveedores de la red para obtener actualizaciones sobre su atención o tratamiento. Si necesita ciertos tipos de servicios o suministros cubiertos, su PCP debe obtener la aprobación por adelantado.

**Su PCP debe hacerle una remisión para consultar a un especialista.** Si su PCP cree que usted necesita tratamiento especializado, le dará una "remisión" (aprobación por adelantado) para consultar a un especialista de la red. Un **especialista** es un médico que brinda servicios de atención médica en relación con enfermedades específicas o con una parte del cuerpo. Si desea usar un especialista u hospital en particular de Essence Advantage Select, debe preguntarle a su PCP para asegurarse de que pueda remitirlo a ese especialista u hospital.

Es muy importante que obtenga una remisión de su PCP **antes** de consultar a un especialista de la red. **Si no tiene una remisión antes de recibir los servicios de un especialista, es probable que usted tenga que pagar por estos servicios.** Si el especialista desea que regrese para consultas de seguimiento, asegúrese de verificar la remisión original para ver si están incluidas.

**En algunos casos, es posible que su PCP, especialista u otro proveedor deba obtener una autorización previa de Essence Advantage Select.** Una autorización previa es una aprobación del plan para servicios médicos y debe solicitarse **antes** de recibir los servicios. Dado que su PCP será el que proporcionará y coordinará su atención médica, usted deberá verificar que se haya enviado toda su historia clínica anterior al

consultorio de su nuevo PCP. La ley requiere que protejamos la privacidad de su historia clínica y su información médica personal. Para obtener más información sobre la privacidad, consulte la Evidencia de cobertura.

**Puede cambiar de PCP por cualquier razón, en cualquier momento.** Para cambiar su PCP, llame al Departamento de Servicio al Cliente. **Los cambios de PCP entran en vigencia el primer día del siguiente mes. Las solicitudes de cambios retroactivos no suelen aprobarse.** Al llamar, asegúrese de informar al representante del servicio al cliente si está viendo a especialistas, tiene recetas de medicamentos que debe surtir pronto o está recibiendo otros servicios cubiertos que debieron ser aprobados por su PCP (como servicios médicos domiciliarios y consultas de terapia ambulatoria). El representante del servicio al cliente cambiará el registro de miembro para que muestre el nombre de su nuevo PCP. El representante también le enviará una tarjeta de miembro actualizada con el nombre y número telefónico de su nuevo PCP en un plazo de 7 a 10 días.

**Algunos servicios que puede recibir por su cuenta.** Existen solamente unos pocos tipos de servicios cubiertos sin ver primero a su PCP. Una **“autoremisión”** significa que obtiene servicios por su cuenta. Si recibe servicios de autorremisión, igualmente debe pagar un copago. Si recibe un servicio de autorremisión de un proveedor de la red, solamente deberá pagar el copago dentro de la red. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Essence Advantage Select serán responsables de los costos.

**Los siguientes servicios podrían ser autorremitidos:**

- Examen de la vista rutinario: examen anual a fin de determinar si tiene cambios en la vista y la posible necesidad de anteojos o lentes de contacto. **Consulte la sección “proveedor de atención rutinaria para la vista” al final de este directorio para obtener información sobre cómo encontrar proveedores de la red que usted podría usar sin una remisión de su PCP.**
- Atención médica rutinaria para la mujer: incluye exámenes de mamas, mamografías (radiografías de las mamas), pruebas de Papanicolaou y exámenes pélvicos. Esta atención está cubierta sin una remisión de su PCP *solamente* si la recibe de un proveedor de la red.
- Vacunas contra la gripe, la COVID-19, la hepatitis B y la neumonía: están cubiertas *solamente* si las recibe de un proveedor de la red.
- Servicios en casos de emergencia, ya sea que reciba estos servicios de proveedores de la red o fuera de la red.
- Atención requerida urgentemente: incluye la atención que recibe de proveedores fuera de la red cuando se encuentra temporalmente fuera del área de servicio del plan.
- Diálisis renal: puede recibir servicios de diálisis de cualquier proveedor de diálisis aprobado por Medicare. Si necesita ayuda para encontrar un proveedor de diálisis, llame al Servicio al Cliente.

**Recibir atención mientras está de viaje o lejos del área de servicio del plan.** Si necesita atención médica mientras está fuera del área de servicio, la cobertura de atención médica es limitada. Los únicos servicios cubiertos mientras usted está fuera del área de servicio son la atención de una emergencia médica, incluidas la atención de mantenimiento y la atención hospitalaria después de que se estabilice (conocida como atención posterior a la estabilización), la atención de urgencias, la diálisis renal (riñón) y la atención aprobada por adelantado por Essence Advantage Select. Si no sabe si un servicio está cubierto cuando viaja, llame al Departamento de Servicio al Cliente.

**La diferencia entre una emergencia médica y la atención requerida urgentemente es la gravedad de la afección.**

- Una emergencia médica es cuando cree que su salud está en serio peligro y cada segundo que pasa es determinante. Podría tener una lesión grave, una enfermedad repentina o una enfermedad que empeora mucho rápidamente.
- La atención requerida urgentemente es la que recibe para una lesión o enfermedad repentina que requiere atención médica inmediata pero que no es potencialmente mortal. El tratamiento de una torcedura de tobillo es un ejemplo de atención requerida urgentemente.

**En general, su PCP le brinda atención requerida urgentemente.** Si tiene una lesión o enfermedad repentina que *no es una emergencia médica* y se encuentra en el área de servicio del plan, llame a su PCP. Si el consultorio está cerrado, siempre habrá un médico de guardia que pueda ayudarlo. **Tenga en cuenta lo siguiente: Si necesita atención urgente mientras está en el área de servicio del plan, debe recibirla de proveedores de la red. En la mayoría de los casos, no pagaremos por la atención requerida urgentemente que usted reciba de proveedores fuera de la red mientras está en el área de servicio del plan.**

Si no se encuentra en el área de servicio del plan y no puede esperar hasta regresar, Essence Advantage Select pagará la atención de urgencia que reciba de proveedores fuera de la red. Cubriremos la atención de seguimiento que reciba de proveedores fuera de la red fuera del área de servicio del plan si dicha atención cumple igualmente la definición de atención requerida urgentemente. Una vez que regrese al área de servicio, su PCP le brindará toda la atención de seguimiento que necesite.

**Si tiene una emergencia médica:**

- Busque ayuda médica lo más rápidamente posible. Llame al 911 para pedir ayuda o acuda directamente a la sala de emergencias más cercana. **En una emergencia, no necesita un permiso (autorización) o una remisión antes de recibir asistencia médica.**
- La atención médica de emergencia está cubierta siempre que la necesite, en cualquier parte del mundo.
- El plan cubre los servicios de ambulancia en los casos en los que ir a la sala de emergencias de alguna otra manera podría poner en peligro su salud.
- Tan pronto como sea posible, usted o alguien más debe comunicarse con su PCP para comunicarle la emergencia. El número telefónico de su PCP está en su tarjeta de identificación de miembro. Su PCP necesita saber sobre la emergencia porque le brindará o coordinará la atención de seguimiento. Intente comunicarse con su PCP para comunicarle la emergencia en el plazo de 48 horas.

**Su PCP ayudará a gestionar y hacer un seguimiento de la atención de emergencia.** Es importante que sepa que cada emergencia tiene dos etapas. Cuando los médicos o el hospital que brinda la atención de emergencia consideran que su condición es estable, finaliza la primera etapa de la emergencia médica. Sin embargo, incluso después de que su condición sea estable, se lo considera en una situación de emergencia y Essence Advantage Select debe pagar por el tratamiento posterior a la estabilización brindado por el hospital (ya sea

## Directorio de Proveedores

que este hospital sea o no un proveedor de la red). La segunda etapa de la emergencia, después de que su condición sea estable, se llama posterior a la estabilización.

En general, el hospital o los médicos que brindan atención de emergencia intentarán comunicarse con su PCP. Esto ayuda a organizar que los proveedores de la red asuman su atención tan pronto como su condición y las circunstancias hayan mejorado. Una vez que su PCP asuma su atención o acuerde el plan de acción adecuado con el hospital tratante (o una vez que le den el alta, si está completamente recuperado), ya no estará en una situación de emergencia o posterior a la estabilización.

Cuando haya pasado las etapas de emergencia y posterior a la estabilización, igualmente podría necesitar atención de seguimiento. Essence Advantage Select es responsable de su atención de seguimiento. Essence Advantage Select pagará la atención de seguimiento (la atención provista después de las etapas de emergencia y posterior a la estabilización) *solamente* si usted sigue las reglas del plan. Su PCP puede ayudarlo a encontrar proveedores de la red y a obtener las remisiones y autorizaciones correspondientes.

Nunca debería pagarle a un proveedor fuera de la red más de lo que el proveedor tiene permitido por Medicare. El proveedor tiene derecho a recibir sus honorarios, pero no tiene derecho a recibirlos de usted. Pídale al proveedor fuera de la red que primero nos envíe su factura. Si ya pagó por los servicios cubiertos, le reembolsaremos nuestra parte del costo compartido. Si recibe una factura por los servicios, puede enviárnosla para el pago. Pagaremos al proveedor fuera de la red nuestra parte del costo compartido de la factura si cumple con los criterios indicados anteriormente y le informaremos lo que usted debe pagar, si aplica. Si un proveedor fuera de la red le pide que pague por los servicios cubiertos que recibe en estas situaciones, llame a nuestro Departamento de Servicio al Cliente.

Si bien Essence Advantage Select no contrata a especialistas que prestan ciertos servicios en un centro de atención médica (como anestesistas y patólogos), le pagamos al centro por el costo de estos servicios cuando se prestan en un centro contratado por Essence Advantage Select. Si recibe una factura por estos servicios, comuníquese con el Servicio al Cliente de Essence Advantage Select.

Debe usar proveedores de la red, excepto en situaciones de atención de emergencia o urgencia o en el caso de diálisis renal fuera del área u otros servicios. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Essence Advantage Select serán responsables de los costos.

## Directorio de Farmacias

### Introducción

En este documento, se presenta una lista de las farmacias de la red de Essence Advantage Select. Para obtener una descripción completa de su cobertura de medicamentos recetados, así como instrucciones para surtir las recetas, revise la Evidencia de cobertura y el formulario de Essence Advantage Select.

Las farmacias incluidas en esta lista son nuestras farmacias de la red porque hemos coordinado con ellas para que suministren los medicamentos recetados a los afiliados al plan. En la mayoría de los casos, sus recetas están cubiertas por Essence Advantage Select solamente si se surten en una farmacia de la red o a través del servicio de farmacia de pedido por correo. Una vez que va a una farmacia, no es necesario que continúe yendo a la misma farmacia para surtir su receta, sino que puede cambiar a cualquier otra farmacia de nuestras farmacias de la red. Surtiremos sus recetas en farmacias fuera de la red en ciertas circunstancias, como se describe en la Evidencia de cobertura.

Es posible que este directorio no incluya todas las farmacias de la red. Podrían haberse agregado o eliminado farmacias de la lista después de la impresión de este directorio. Esto significa que podría haber farmacias incluidas aquí que ya no son parte de nuestra red o farmacias más nuevas en nuestra red que no fueron incluidas. Esta lista tiene vigencia a partir del 19 de marzo de 2025. Para conocer la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la contratapa.

Puede ir a todas las farmacias que aparecen en esta lista, pero los costos de algunos medicamentos pueden ser inferiores en las farmacias de esta lista que ofrecen costos compartidos preferidos. Hemos marcado estas farmacias con el símbolo † para distinguirlas de otras farmacias de nuestra red que ofrecen costos compartidos estándar.

Puede recibir medicamentos recetados en su casa a través de nuestro programa de entrega de pedidos por correo de la red. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Si tiene preguntas sobre la información anterior, consulte las páginas de la portada y la contratapa de este directorio para saber cómo comunicarse con Essence Advantage Select.

### Farmacias de la red Essence Advantage Select

Las farmacias se dividen en cuatro grupos: farmacias minoristas, incluidas las farmacias de cadena; pedido por correo; infusión en el hogar; y atención a largo plazo. Las farmacias de cada grupo se enumeran por estado y, luego, por condado. **Las “farmacias preferidas” se identifican con el símbolo †. Las farmacias que ofrecen un suministro extendido de medicamentos se identifican con el símbolo ¥.**

## Farmacia de pedido por correo

Puede recibir medicamentos recetados en su casa a través de nuestro programa de entrega de pedidos por correo de la red.

En general, los medicamentos recetados llegarán en el plazo de 14 días hábiles desde el momento en que la farmacia de pedido por correo recibe el pedido. Si no recibe los medicamentos recetados en este plazo, llámenos al 1-866-597-9560, de 8 a. m. a 8 p. m., los siete días de la semana. Los fines de semana del 1 de abril al 30 de septiembre y los feriados es posible que atienda un contestador automático. Deje su mensaje y lo llamaremos al siguiente día hábil. Los usuarios de TTY deben llamar al 711. También puede visitar [EverythingEssence.com](https://www.everythingessence.com) para obtener más información.

Para la renovación de sus recetas médicas pedidas por correo, usted tiene la opción de inscribirse en un programa de resurtido automático. En este programa, comenzaremos a procesar su siguiente resurtido automáticamente cuando nuestros registros muestren que se está por quedar sin el medicamento. La farmacia se comunicará con usted antes de enviar cada renovación para verificar si necesita más medicamentos. Puede cancelar las recargas programadas si ya tiene suficiente medicamento o si su medicamento ha cambiado. Si decide no utilizar el programa de resurtido automático, comuníquese con nosotros 14 días antes de que considere que se acabarán los medicamentos que tiene disponibles para asegurarse de que su próximo pedido se le envíe a tiempo. Para dejar de participar en el programa de resurtido automático, comuníquese con nosotros llamando a la farmacia de pedidos por correo de Express Scripts al 1-800-282-2881 (TTY: 1-800-759-1089).
