**Who can join?**
To join CoxHealth MedicarePlus, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, be a United States citizen or are lawfully present in the United States and live in our service area. Our service area includes the following counties in Missouri: Barry, Christian, Greene, Lawrence, Stone, Taney and Webster.

**What is an HMO?**
An HMO, or Health Maintenance Organization, is a type of health insurance plan that usually limits coverage to care from doctors who work for or contract with the HMO. It generally won’t cover out-of-network care except in an emergency. An HMO may require you to live or work in its service area to be eligible for coverage.

**Which doctors, hospitals and pharmacies can I use?**
CoxHealth MedicarePlus has a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, the plan may not pay for these services. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies. You can see our plan’s provider directory on our website www.CoxHealthMedicarePlus.com. Or, call us and we will send you a copy of the provider directory.

**What do we cover?**
Like all Medicare health plans, we cover everything that Original Medicare covers—and more.
- Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

**What drugs do we cover?**
We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.
- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website www.CoxHealthMedicarePlus.com.
- Or, call us and we will send you a copy of the formulary.

**How will I determine my drug costs?**
Our plan groups each medication into one of six tiers. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur: Initial Coverage, Coverage Gap and Catastrophic Coverage. If you have questions about the different benefit stages, please contact the plan for more information or access the Evidence of Coverage on our website.

### Coverage Gap

Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what your plan has paid and what you have paid) reaches $4,430. After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand-name drugs and 25% of the plan’s cost for covered generic drugs until your out-of-pocket costs total $7,050, which is the end of the coverage gap. Not everyone will enter the coverage gap.

### Catastrophic Coverage

After your yearly out-of-pocket drug costs reach $7,050, you pay the greater of:
- 5% co-insurance or
- $3.95 copay for generic (including brand-name drugs treated as generic) and a $9.85 copay for other drugs (one month supply)

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a sales representative at 1-877-709-9168 (TTY: 711).

Understanding the Benefits

☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially services for which you routinely see a doctor. Visit www.CoxHealthMedicarePlus.com or call 1-877-709-9168 (TTY: 711) to view a copy of the EOC.

☐ Review the provider/pharmacy directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, you may be required to select a new doctor.

☐ Review the provider/pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

☐ Benefits, premium and/or copayments/co-insurance may change on January 1, 2023.

☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
CoxHealth MedicarePlus is an HMO plan with a Medicare contract. Enrollment in CoxHealth MedicarePlus depends on contract renewal.

All Essence plans include Part D drug coverage. To enroll, you must have both Medicare Parts A and B and reside in the Missouri counties of Barry, Christian, Greene, Lawrence, Stone, Taney or Webster.

You must continue to pay your Medicare Part B premium. Please note that enrollment is limited to specific times of the year.
