This Summary of Benefits booklet gives you a summary of what Essence Advantage Gold (HMO) and Essence Advantage Platinum (HMO) cover and what you pay.

Who can join?
To join Essence Advantage Gold or Essence Advantage Platinum, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, be a United States citizen or are lawfully present in the United States and live in our service area. Our service area includes the following counties in California: Santa Clara, Alameda and San Mateo.

What is an HMO?
An HMO, or Health Maintenance Organization, is a type of health insurance plan that usually limits coverage to care from doctors who work for or contract with the HMO. It generally won’t cover out-of-network care except in an emergency. An HMO may require you to live or work in its service area to be eligible for coverage.

Which doctors, hospitals and pharmacies can I use?
Essence Advantage Gold and Essence Advantage Platinum have a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, the plan may not pay for these services. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies. You can see our plans’ Provider Directory on our website www.EssenceHealthcare.com. Or, call us and we will send you a copy of the Provider Directory.

What do we cover?
Like all Medicare health plans, we cover everything that Original Medicare covers—and more.
- Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

What drugs do we cover?
We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.
- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website www.EssenceHealthcare.com.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?
Our plans group each medication into one of six tiers. You will need to use your formulary to locate what tier your drug is in to determine how much it will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur: Initial Coverage, Coverage Gap and Catastrophic Coverage. If you have questions about the different benefit stages, please contact the plan for more information or access the Evidence of Coverage on our website.

Prescription Drug Benefits

Medicare Part B Drugs
For Part B drugs such as chemotherapy drugs: 20% co-insurance
Other Part B drugs: 20% co-insurance
Prior authorization is required.

Deductible
These plans do not have a deductible.

Initial Coverage
You pay the amounts listed in the following tables until your total yearly drug costs reach $4,430. Total yearly drug costs are the total drug costs paid by both you and your Part D plan.
If you reside in a long-term care facility, you pay the same as at a standard retail pharmacy.
You may get drugs from an out-of-network pharmacy at the same cost as a standard retail pharmacy. Coverage is limited to certain situations if you go out of network.

Additional Drug Coverage (Insulin Savings Program)
As an Essence member, you’ll have low, predictable copays on Select Insulins through our Insulin Savings Program.† Costs for Select Insulins will remain the same during the Initial Coverage and Coverage Gap phases of your prescription drug benefit. The program doesn’t apply during the Catastrophic Coverage stage. Note that this program isn’t available if you receive Extra Help from the government.

Coverage Gap

Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what your plan has paid and what you have paid) reaches $4,430.

After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand-name drugs and 25% of the plan’s cost for covered generic drugs until your out-of-pocket costs total $7,050, which is the end of the coverage gap. Not everyone will enter the coverage gap.

During the coverage gap, your costs for Tier 1 and Tier 6 drugs (shown in the following table) will remain the same as during the initial coverage phase of your prescription drug benefit. You will need to use your formulary to locate your drug’s tier.

If you're eligible for the Insulin Savings Program, your cost-share for Select Insulins won’t increase during the coverage gap.

Understanding the Benefits

☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially services for which you routinely see a doctor. Visit www.EssenceHealthcare.com or call 1-855-923-3102 (TTY: 711) to view a copy of the EOC.

☐ Review the provider/pharmacy directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

☐ Review the provider/pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

☐ Benefits, premiums and/or copayments/co-insurance may change each month.

☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
Essence Healthcare is an HMO plan with a Medicare contract. Enrollment in Essence Healthcare depends on contract renewal. All Essence plans include Part D drug coverage. To enroll, you must have both Medicare Parts A and B and reside in the California counties of Alameda, San Mateo or Santa Clara.

You must continue to pay your Medicare Part B premium. Please note that enrollment is limited to specific times of the year.

Members must use plan providers except in emergency or urgent care situations. If a member obtains routine care from an out-of-network provider without prior approval from Essence, neither Medicare nor Essence will be responsible for the costs.

Out-of-network/non-contracted providers are under no obligation to treat Essence Healthcare members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
