## Who can join?

To join **Essence Advantage**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, be a United States citizen or are lawfully present in the United States and live in our service area. Our service area includes the following county in Missouri: Boone.

## What is an HMO?

An HMO, or Health Maintenance Organization, is a type of health insurance plan that usually limits coverage to care from doctors who work for or contract with the HMO. It generally won't cover out-of-network care except in an emergency. An HMO may require you to live or work in its service area to be eligible for coverage.

## Which doctors, hospitals and pharmacies can I use?

**Essence Advantage** has a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, the plan may not pay for these services. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies. You can see our plan's provider directory on our website [www.EssenceHealthcare.com](http://www.EssenceHealthcare.com). Or, call us and we will send you a copy of the provider directory.

## What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and *more*.

- **Our plan members get all of the benefits covered by Original Medicare.** For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- **Our plan members also get more than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

## What drugs do we cover?

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website [www.EssenceHealthcare.com](http://www.EssenceHealthcare.com).
- Or, call us and we will send you a copy of the formulary.

## How will I determine my drug costs?

Our plan groups each medication into one of six tiers. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur: Initial Coverage, Coverage Gap and Catastrophic Coverage. If you have questions about the different benefit stages, please contact the plan for more information or access the Evidence of Coverage on our website.
