

Monthly Plan Premium for People who get Extra Help from Medicare to Help Pay for their Prescription Drug Costs

Low Income Subsidy Premiums for this Plan Year

Medicare provides Part D premium and cost-sharing assistance to beneficiaries who qualify for the program’s low-income subsidy, also called the LIS. An enrollee’s monthly plan premium will generally be lower once he or she receives extra help from Medicare, if the enrollee joins an Essence Healthcare plan with a monthly premium. If you qualify for extra help, the amount of extra help you get will determine your total monthly plan premium as a member of our Plan.

The premiums listed are for both medical services and prescription drug benefits (Medicare Advantage-Part D plans only).
